Let's Start!

Writing Spot: Are you ready for the Belize River Challenge!

Learning Outcome

Identify health problems and ways of staying healthy, and use them in a limited range of social situations.

Ask your partner:

- What competitive sports do you watch?
- What type of sports would you be interested in doing?

Can Do Statements

- I can ask and give information about health history.
- I can ask and give simple instructions.
- I can ask and talk about what people do and what people are doing.

Let's Explore!

John is **participating*** in the Belize River Challenge. What does he have to complete before he **hits the water****?

* To "participate" means to be a part of.

** To "hit the water" means to enter the water.

Instructions: Read the text aloud.

- Officer:** Before you participate in the Belize River Challenge, you have to fill out a form.
- John:** What kind of form?
- Officer:** It's a medical history form. We need to know your health background.
- John:** Why? Is this challenge dangerous?
- Officer:** Well, any type of outdoor activity can be risky. If there is an accident, the medics need your personal health information.
- John:** I guess there is a chance of hitting your head or even drowning ...
- Officer:** Are you planning to paddle solo or with a partner?
- John:** Solo, I think. Are crocodiles living in that river?
- Officer:** I don't think so ... Take your life jacket and paddle to the river's edge and wait for the start.
- John:** Yikes!

Let's Practice!

How did John complete the form? What private information did he include?

Instructions: Draw a line from the title on the left to the information on the right.

Name:	Mary Smith
Address:	6 ft tall, 180 pounds 834
Phone Number:	434 4393
Emergency Contact:	asthma (I use an inhaler.)
Doctor:	Dr. Raymond Logan
Date of last Examination:	343 Robert St. Cambridge, Mass. USA John Smith
Height and Weight:	none
Medications:	23rd March 2010
Conditions:	8344344393

Let's Practice!

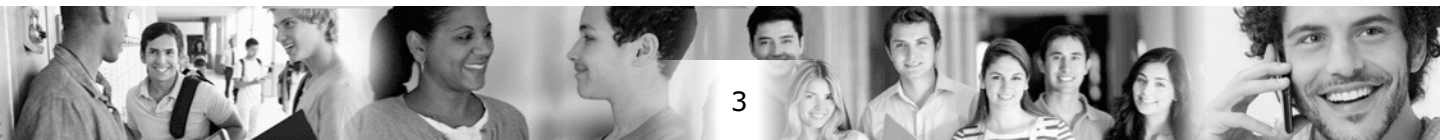

Water, rock and crocodiles - Do you think Peter should enter the race?

Instructions: Use the words from the Word Bank to correctly complete the sentences.

Word Bank

life jacket / Jliving / participate / take / is / it's / edge

5. Doctor:			

Target Words

- accurate** (adjective): free from mistakes and errors
e.g. Health forms need to be accurate.
- health care provider** (adjective): a group or company that provides care to people who are sick or injured
e.g. My health care provider is well-known in the community.
- to treat** (verb): to give medical care
e.g. The doctor treated the patient in the hospital.
- condition** (noun): a sickness or disease that a person has for a long time
e.g. Did you write down your medical condition on the form?
- risky** (adjective): the possibility of something bad happening
e.g. Some outdoor activities can be risky.
- to drown** (verb): to die from being underwater too long
e.g. You can drown if you swim in a river.
- paddle** (noun): a long, wooden pole you move through the water to move a small boat
e.g. You need a paddle to use the boat.
- solo** (adverb): something that is done alone
e.g. Are you paddling solo in this race?
- life jacket** (noun): something worn over your upper body like a jacket to save you from drowning
e.g. Wear your life jacket when you are paddling a boat.
- edge** (noun): where an area begins or ends
e.g. Walk towards the river's edge.

Learning Points

Health History Form

Health care providers use a health history form to get a history of any health issues or conditions.

This information can let people know about your health if you are in an accident. This information can help providers like doctors and paramedics treat you if you are in an accident.

The personal information you write on a health history form needs to be accurate.

The information on a health history form is private.

The questions on a health history form are generally in the **Simple Present** tense or the **Simple Past** tense.

Examples:

- *When did you last see a physician?*
- *Are you here for a particular reason? If so, when did this problem begin?*
- *What medications do you currently take?*
- *Do you smoke?*
- *How much alcohol do you consume?*
- *How often do you exercise?*
- *Do you take vitamin supplements?*
